

# Summary

## Community Action Projects

### Action 1: Comprehensive Master Plan for Higganum Village

To include the Rossi, DOT, Town Garage, and Frismar sites; auto, pedestrian and, bike safety; sewer; public spaces; and linkages between commercial, civic and natural uses

### Action 2: Friday Night Dances

To be held at the community center during the farmers' market's off-season and to include live music and a few vendors

### Action 3: Sewer and Water for Higganum Village

The specifics may be determined by the master plan

### Action 4: Develop Railway for Recreational Purposes

Extending from Higganum to Tylerville with public access points

### Action 5: Comprehensive Natural Resource Plan

Improve access and utilization of (#1) railway trail from Higganum to Tylerville, (#2) cove, as well as river, reservoir, brooks (may be part of the master plan)

### Action 6: Community Bulletin Boards

Create both a physical and a web-based clearinghouse of the Haddam's social and official events to keep the community and visitors informed

### Action 7: Economic Development Coordinator

To promote existing businesses and actively recruit appropriate businesses

### Action 8: Tourism Marketing

Develop a tourism page on the Town of Haddam website and a tourism brochure to promote Haddam's natural and cultural resources

### Action 9: Benches and Bike Racks

The specific location in the village may be determined in the master plan

### Action 10: Mucket Festival

An annual event that could include a fishing tournament and (shad) bake
